CLUB PRESIDENT NEWS

I hope everyone is having a great start to 2020. As winter sets in I can't help but to start looking forward to the summer and warm temperatures. Preparations for the 2020 season began back in November at our yearly meeting and the board continues to work hard in order to be ready for the upcoming summer. At the conclusion of 2019, long-time Board Member, Treasurer and Snack Stand Coordinator Gina Quinn stepped down from her position on the board. Gina has spent countless hours in service to our pool and snack bar. On behalf of the entire membership I would like to extend a huge thank you to Gina for all she has done. Board Member Bob Scott will take over the role of Treasurer and brings a vast amount of professional experience to the position. Thank you to Bob for taking on this role at WGSC. For 2020 we also welcome members Bob Weber and Joy Minnick to the board. Both have served on other boards in various roles and we welcome their experience and input.

Moving forward we will continue to make improvements to the ground and facilities, beginning with the replacement of worn picnic tables. The goal is to replace all the wooden picnic tables with composite tables over the next five years. As you enter the club off Township Line Road you will notice 4 new trees which were planted at no cost to membership through Whitpain Township's Shade Tree Program. Thank you to member John Casani for facilitating this improvement. New landscaping is also slated to be added around the club to bring more color and beauty to the grounds. As always, we will be asking for volunteers to help with preparation and cleanup in the spring and I encourage members to come out and lend a hand. Specific dates for volunteer days will be announced in the coming months.

Stay warm and see you all at the pool.

If anyone has any questions or concerns, feel free to contact me at President@whitpaingreenssc.org.
